

HE'S WRECKING OUR COUNTRY...

"The UK will face a three-month meltdown at its ports, a hard Irish border and shortages of food and medicine if it leaves the EU without a deal, according to government documents."

The Guardian, 18 August 2019

The Conservatives have made a complete mess of Brexit.

And now Boris Johnson is dragging the country towards a disastrous no-deal exit. Any Brexit would be bad for Britain. It would mean devastating job losses and huge damage to public services and the economy.

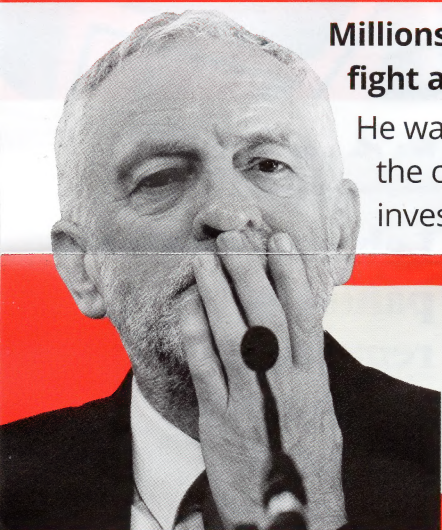

...AND LABOUR WON'T STOP HIM

Millions of Remainers are being let down by Jeremy Corbyn's refusal to fight against Brexit.

He wants to negotiate his own form of Brexit. But there is no deal better than the one we have now. Stopping Brexit is vital if we want to end austerity, invest in schools and our NHS, and fight the climate emergency.

"Jeremy Corbyn has again rebuffed the demands of many of his own activists for Labour to become the party of remain."

The Guardian, 9 May 2019
